### CONDITIONS OF SALE

- He/She has a 30 day-documented health guarantee. Therefore, the veterinarian of the Buyer's choice should examine him/her within three weeks of pick-up. If the veterinarian determines that the puppy is ill, Seller has the option to either refund the purchase price or replace with a puppy/kitten of equal value.
- Within the pet's first year, we will guarantee non [non-disclosed] genetic health imperfections. If within the first year your veterinarian determines a genetic health issue, Buyer is to immediately provide Seller with the veterinarian's documentation of such. At that time, the puppy/kitten will be replaced with one of equal value. If there are no litters available, it will be done from the next litter. You must be the original owner.
- There are no other guarantees implied or otherwise.
- This puppy/kitten is sold as a pet and should be **Spayed/Neutered by 9 months of age.**
- The terms of this agreement may be amended at any time with the mutual agreement of Buyer and Breeder. All amendments must be made in writing and Breeder and Buyer must sign such amendment.

We are always available to our puppies and kitties and their buyers. Do not hesitate to us by phone or email during the lifetime of your pet with questions.

**In signing this contract, both parties agree to the conditions set forth in this agreement.**
